Vehicles and Equipment Efficiency

Professional updated equipment register - batching plants, pumps, truck mixers, ice plants, chillers, and recycling unit

220 Truck Mixers	34 Concrete Pumps	12 Plant / Related Records	9 Ice & Chiller Records
----------------------------	-----------------------------	--------------------------------------	-----------------------------------

Fleet Dashboard by Branch

Branch	Plants / related records	Pumps	Truck Records Qty	Cooling / Chiller Records
Palestine	5	15	82	2
Dahaban	3 incl. recycling	5	36	2
Fursan	2	9	22	2
ALNAZEEM / NAZEEM	2	5	80	3

Notes

This rebuilt version reorganizes the original one-page register into a readable professional PDF with dashboards, clear sectioning, and standardized English labels. Quantities and equipment codes were preserved from the provided source wherever readable.

Batching Plants and Recycling Unit

Work Area	Code	Origin / Brand	Production Capacity	Production / Hour	Working Hours	Equipment Description
TIMIX - Palestine	BPW-01	Skouma / Local	2,000 m3	140-160 m3	24	Batching Plant WET - Palestine 01
TIMIX - Palestine	BPW-02	Skouma / Local	2,000 m3	100-140 m3	24	Batching Plant WET - Palestine 02
TIMIX - Palestine	BPW-05	Liebherr / German	2,000 m3	100-140 m3	24	Batching Plant WET - Palestine 05
TIMIX - Palestine	BPW-06	Skouma / Local	2,000 m3	100-140 m3	24	Batching Plant WET - Palestine 06
TIMIX - Palestine	BPW-12	Skouma / Local	2,000 m3	100-140 m3	24	Batching Plant WET - Palestine 12
